### **MINISTRY OF PRAYER**

Christ taught us to pray and encourages us to pray unceasingly. Let us continually pray for our loved ones, our friends, our world. Michelle Reinhard is our Prayer Chain leader. You may contact her by email: [teachers@gate.net](mailto:teachers@gate.net) using "Prayer Chain" in the subject line. For those without email, please call her cell phone 727-480-4409 year-round or locally at 920-839-9911 (Easter thru October). Michelle would like to start a phone prayer chain so people who do not have email can participate. The information would be the same, but you would receive a call. If you are interested in joining the email prayer chain or being included in the phone chain, please let Michelle know so you can be added to this "link of faith".

### **CALENDAR ITEMS**

If you have some news or a date you would like to pass along email the office the information and I will get it out in either an up coming newsletter or in an email which ever one time allows.

## **ZION NEWS**

### **Notes from Myrtle**

Cherry picking has started. It sounds like it will be a good harvest. There were many blossoms in the spring. Gardens have also been producing their various crops. Farmers markets are open with guidelines according to pandemic protocol against COVID-19.

Sturgeon Bay has a lot of lake ships anchored in the bay due to the lack of shipping because of the pandemic. It looks somewhat like the winter when the fleet is in for the winter maintenance.

There has been Sunday worship at church for three Sundays now. All seems to have gone well, though the attendance is low. With the emptiness comes a bit of an echo. It is strange and disconcerting to not be able to connect more closely with others. There is visiting in the parking lot after worship.

As the pandemic continues with the requirements, restrictions and limitations, each individual responds differently. Each practices their freedom to declare self-determination or consider the welfare and common good of self and others. We each need to consider how we can contribute to the ending of bad situations. God is at work in all things throughout the world but also uses mankind to bring about good from bad situations whatever they may be or wherever they may take place. In the meantime, stay safe. Be a builder.

Isaiah 42:4 "He won't be satisfied until truth and righteousness prevails throughout the earth, nor until distant lands beyond the seas have put their trust in Him." LT The Servant

### **THANK YOU**

Shortly after my niece and daughter arrived to help celebrate my birthday, I got a birthday call from a friend. While on the phone, my niece came to me and urgently said, "You have to come and see this, now." WOW!!!

Cars, displaying elaborate, poster birthday cards, were circling the driveway, honking horns, waving, calling birthday greetings. Needless to say, I was speechless! Overwhelmed! Emotions couldn't decide which to surface. I felt so loved! No adequate adjective came to mind. My cup was spilling out all over. No saucer large enough. And I couldn't hug anyone or cry on their shoulder. Tears of joy.

I have watched many parades, thrilled with the marching bands. I have walked with handouts in a parade. Last year I even rode in a parade. But this parade was for me! I felt so blessed. This, and the many cards of love and encouragement, brings a feeling of deep humility. I have re-lived the moment many times and re-read the cards.

Many thanks to, Judie and Carla for organizing this momentous event. And to each of you who took part and each who wanted to but were unable to do so. May God's blessings rest on each of you.

Love you. Myrtle

### THE BIRTHDAY PARADE

With blast of horns  
and waving hands,  
flying balloons  
and shouts galore,  
cars circled round  
in joyous sound.  
A parade for me!!!  
A special day,  
surprised with love,  
grand birthday gift!
